

Mission and Values Statement

The Regional Parks Foundation supports the East Bay Regional Park District through fundraising to provide universal access, environmental stewardship, educational and recreational programs and the acquisition of parklands.

At the Regional Parks Foundation we believe connections with nature are critical for leading a healthy, balanced life. Every day, we provide resources to ensure underserved populations have equal access to nature through the East Bay Regional Park District's parks, trails, programs and services. When we do, lives are changed, and we inspire the next generation of environmental stewards to value and protect open space and the environment.
